PETERS, CRAGG & CO.'S Piano Forte Factory, MAIN STREET.

Botween Thirteenth and Pourteenth.

THE subscribers begleave to call the attention of dealers, professors, and others wishing to purchase Piano Pories, to the extensive assorment of their improved circular scale full from frame instruments, now on hand and teady for desking. By the erection of a large additional factory building, they are propared, should the wants of the trade chemand it, to turn out seven instruments per week, or 350 Pianos per annua.

Buyers may rely upon getting finistruments fully equal, in all the requisites of a good Piano, to any made in the United States, and at a saving of from 25 to 50 dollars on each instrument. All the wood used in our manifile-tory is thoroughly seasoned, and no pains or expense are spared in turning out cach Piano peniest in every respect.

For two conscenive years the Agricultural Association and Mechanics' Institute have awanted dirst premiums to those Pianos over all others when to compenitum.

done in violation of the principles of that party

The committee are fully organized throughout an almost unanimous vote, but the thing was done in violation of the principles of that party with whom he had always acted, and in violation of the solemn pledges of the President of the United States in his inaugural message. Since, however, that wrong has been endorsed by the Cincinnati Convention, in its consummation and its results, he felt it his duty to declare that he could no longer maintain a party that issisted on such doctrines, and he could support uo man for President who avowed and recognised those doc- the troops. It is rumored that a revolution line appositron to that party.

The whole number, fourteen hundred, left and went goer to Westport. Here they were reinforced by one hundred and fifty Miscourians, and determined to return, threatening to hang Summer if they caught him. A collision was expected between them and the United States troops on Tuesday, unless the former changed their purpose.
